The Council Meeting.

The monthly meeting of the City Council was devoted mostly to routine business Tuesday.

Council was disvoiced mostly to rou-tine business Tuesday.

An ordinance was passed regula-ting the conduct of those who congre-gate in the postoffice lobby. Post-master Wigus appeared in person and asked its passage.

Mr. T. L. Metcalfe appeared by at-torney and asked that the same pro-tection accorded the fruit dealers by the passage of the recent license ordinance be given to his steam laundry. Mr. O. F. Stenhagen an agent of a Nashville laundry resisted the passage of such an ordinance, by attorney, and the matter was tabled after some discussion.

CREAM OF NEWS.

IF IT IS NEW AND TRUE THIS COLUMN

A SLY YOUNG FOX

eals a Pretty Girl in South Christian

the Seals a Fretty Girl in South Christian, Mr. Win. G. Fox and Miss Minnie Coleman eloped to Clarkwille Tnesday and returned as man and wife. The particulars are given in this extract from the Leaf Chronicle:

"To day at high noon Mr. Wm, G. Fox, a well-to-do young merchant of Howell, Ky, and Miss Minnie M. Coleman, a beautiful young lady of Gerndon, Ky, were made one in the happy consummation of their marriage yows, in the presence of a number of triends, at the residence of Mr. W. B. Young, on College s'reet, Rev. A. M. Growden officiating. To night asupper will be tendered the welding party at the residence of Mr. C. S. Osleman, at Herndon. After the reception attending the honeymoon, Mr. and Mrs. Fox will be at home to their friends at Howell, Ky. Both young people are popularly known in Clarkwille. Mr. Fox has spent considerable of his time in this city, and his young bride was a pupil of the Charkwille. considerable of his time in this city, and his young bride was a pupil of the Clarksville Female Academy. She has a widowed mother who opposed the match, but leve followed love's behest, and the marriage to-day was the blissful denouement to a harmy ground.

happy romance"
This love affair has been on Mr. This love affair has been on Mr. For's mind for some time and his friends will rejoice with him that he has at last secured the fair object of his adoration. The KENTCKLAN wishes him the happiness he deserves.

at the last term of court ou a charge at the last term of court on a charge of white capping was captured by Mr. R. L. Burrus, Marshal of Prembroke, Tuesday, near that place, and was brought to this city and handed over to the authorities Wednesday. Five others, charged with a similar offense were tried last fall and flued, but Welsh succeeded in keeping out of the way of officers until Tnesday, when Mr. Burrus came upon him and took

A few nights ago a bold thief stole a 250 pound hog from the asylum. The porker was butchered on the grounds and carried off. A search was made for the missing hog and the thief was tracked by the blood of the animal to a point in the Greenville road, just outside the city limits where all trace of both was lost where all trace of both was lost.

Wilton, 2:19 1-4, the famous trot Wilton, 2131-3, the famous frot ting stallion, was sold Monday at Woodard & Shanklin's sale at Lex-ington, for \$12,600 to Lewis & Al baugh, of Circleville, Ga. Wilton has forty six 2:30 performers, and is four-teen years old and a fine specimen of horse flesh.

Wm. T. Oates and John Oates brothers, charged with rifling a mai sack, were given one year in the eral court at Owensboro, and been taken to the Jeffersonville prison. They entered a plea of guilty.

Brief Bescription of the Metropol the South.

EDITOR KENTUCKIAN:
Atlauta, the capital of Georgia, the "Empire State of the South," is situated nearly centrally in the great agricultural aud mineral quadrilateral forming the southeastern section of the Union.

The elevation of Absence of About Pailway track Union Absence of About

The elevation of Atlanta at the railway track, Union passenger depot, is 1,050 feet above the ocean level, a higher elevation, with one exception (Denver, Col.) than that of any other city of equal population in the United

master Wilgus appeared in person and save it is passage.

THE FAIR MILLION,

SOURCE OF WEALTH NOW BE-

city of equal population in the United States.

Considering the many superior advantages possessed by Atlanta, (natural and artificial), her geographical position, natural drainage, supplemented by skillful sanitary engineering, her fine climate, her general business facilities, her many churches and excellent schools, it is not at all surprising that Atlanta can justly be called 'the Metropolis of the South.'

She is far ahead of her sister cities in rapid increase of population and wealth, at that time her population exceeds 110,000.

New residences ranging from the cosy cottage of the thrifty wage earner to the spacious and elegant mansion of the rich, are being built all over the city, the city, the city, the city.

The subushs are being rapidly im-New residences ranging from second content of the rich, are being built all over the city.

The suburbs are being rapidly improved; beautiful suburban town connected by electric car lines, are springing into existence and activity.

This year, more than any other will cause Georgia to be doubly proud of a her capital, as the great international exposition will be held in her arms this fall.

Fiedment park, located two miles from the center of the city, has been selected as the site for the exposition.

Great inland lakes, thirty acres in area, have been constructed and with few exceptious, all the buildings will be will be expended by the manage.

A Charge of Theory.

A quarter of a century ag J ever patients were treated in a way that at present seems little less than barbarous. They could get no water either by entreatly or atrategy, and were frequently almost starved, on the theory that a fever must never be fed. Nowadays enhinent medical men give fever patients eggs, chops, beef and other articles. In short, they feed them on the dishes most liked where are the most contract of the dishes most liked where water are the most better than the dishes most liked when where are the most liked when when and baths as well, with a much larger per cent of recoveries.

From Florida.

Tampa, Feb. 1, 1885.—As several of my farmer friends asked me to write about what I saw. I have gathered a few facts about this stronge piece. It is situated on Tampa Bay and Hills-borough river between 25 and degrees latitude. The climate is warm delightfully cooled by salt sea breez-s and is said to be very healthy. Has a population of 8,000 whites, 6000 Cubans and 4,000 userces. The business interest centers in the citar factories, which have moved here from K-y Weet an I Cuba, drawn by the shipping facilities which consists of two railroad and a line of steam ships. The tobacco is shipped from Cuba and comes in canvassed bales of about 100 lbs and after paying duty is worth from \$1.00 to \$8.50 at her hard are 120 factories employing 1000 base about a total state of the same are 120 factories employing 1000 base about 100 the and after paying duty is worth from \$1.00 to \$8.50 at her hard are 120 factories employing 1000 base should be seen as \$1.000 factories employing

Cuba and comes in Canavasses. Canod about 100 lbs and after paying duty is worth from \$1.00 to \$3.50 a lb. There are 120 factories employing the second of t o anges were all frozen, but the trebut the trees are putting on the r green again and there will be a cronext year. Strawberries will be rip in a few days. We sit without fir and find winter clothing oppressive and find winter clothing very and sleep with our windows open as nigh. We find the people very kind and social and are having a deligniful time. Yours respectfully, C. B. Wans.

COITRE IN THE NECK

The Electropoise has cured what was supposed it be goire on the neck of Mrs. Low Thompson of Montgomery, Ky. The subargement began to diminish soon after teatment of the Electropoise was applied; at his time it does not show at all. Large quanties of mucous was thrown off and sometimes corruption an inch long and as large as my little finger. Others of my friends have the Electropoise and the one in my family has proved its curative powers on more than one occasion.

W. H. RECTOR,

MEACHAM & CO.

Some people may be opposed to the use, and acuse to the shuses of whiskey, yet is use is often absolutely necessary especially for medical purposes. In such cases, pure unsulterated stuff is needed—not adoctored, drugged combination—and when the I. W. HARPER is us—d you get the best results, without any bad effects. Its purity and high standard will be maintained because this firm, has an envisible reputation which it means to sustain. SATISFACTION.

it means to sustain.

It can be had at W. R. Loug's Hopkinsville, Ky.
